PRESIDENT'S MESSAGE

This past year was an exciting but challenging one for Swimmingly. The year began with a successful summer of outdoor programming in Carmen, Portage, Grandview & for the first time ever, Winkler. The summer was capped off with our 9th Annual Swimmingly Golf Tournament raising over \$35,000 to help support our current & future programs. Fall programming was a huge success with expansion to a 5th pool in Winnipeg for the first time ever. Volunteer & Swimmer numbers were at all time high. Winter program started off in great shape followed by a fantastic inaugural fundraising Bonspiel at East St Paul Curling Club. Our Winter programming unfortunately ended early due to the world wide Pandemic. The Pandemic also put a hold on our Annual Gala Dinner & fundraising efforts in the spring. In the beginning of the Pandemic it was unclear what it would mean for our organization. I am proud of our staff, board members & volunteers for all adapting & doing their best during this difficult time. As I transition out after 10 years as President, I want to take a second to thank everyone who has made this past decade possible. To our board members (past & current), volunteers (new & old), our swimmers & their families (past & current), our staff (past & current), our sponsors, donors & event attendees, you have all made these last 10 years an absolute blast. I am excited to see how the organization continues to grow under our incoming President, Sharyne Hamm. Sharyne has an in-depth knowledge of the ins & outs of the organization & a passion for improving the lives of children with disabilities. While I will miss my Swimmingly family, I will remain on the board as Past President, will always continue to support & advocate for the organization & look forward to perhaps one day getting back in the pool as a volunteer.

Sincerely,

Cam Krisko
